

Spinner Concept

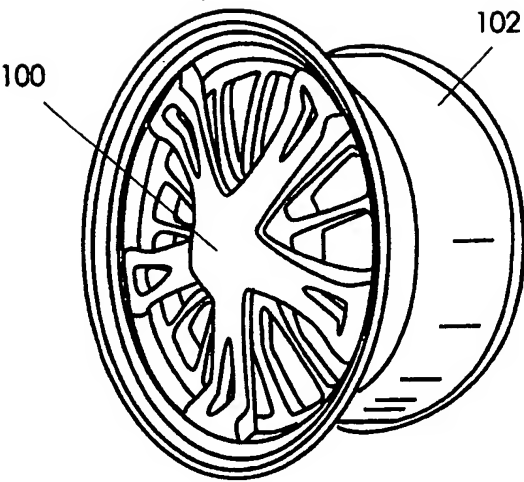

FIG. 1

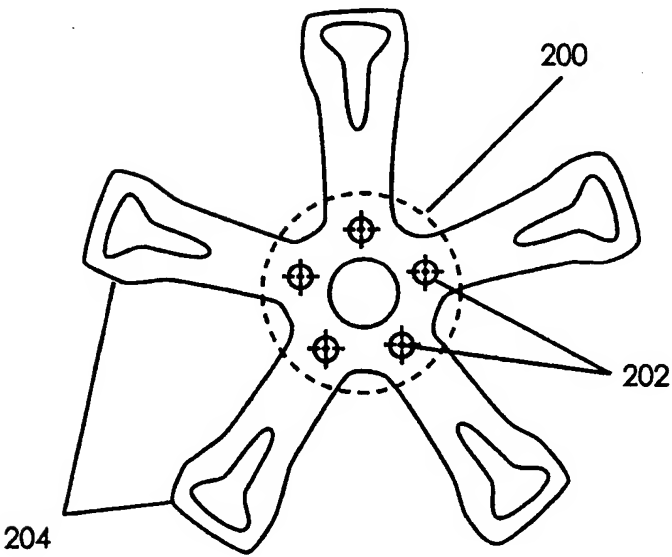

FIG. 2

The diagram illustrates a mechanical assembly with the following components and labels:

- 300.**: A central shaft or rod.
- 302.**: A component at the top of the shaft.
- 306.**: A component below 302.
- 308.**: A rectangular housing or frame containing internal components.
- 310.**: A component within the housing 308.
- 312.**: A component below the housing.
- 314.**: A component below 312.
- 316.**: A large, curved outer casing or bellows.
- 318.**: A component at the bottom of the assembly.

Handwritten annotations include:

- "sealing means" pointing to the top of the shaft.
- "water bearing assembly housing" pointing to the upper part of the housing 308.
- "bearing assembly" pointing to the lower part of the housing 308.
- "axle bolt" pointing to the component 312.
- "316a" pointing to the lower part of the casing 316.

316.
